食品级纸张专业制造商

GREASEPROOF PAPER

Greaseproof Paper is made from 100% pure wood pulp. It is good at oil-proof and water proof. Widely used into food liner, food packaging paper and paper bag. We can offer greaseproof paper in different shape and size, such as jumbo roll, small retail roll, sheets, circles.

WAX PAPER

Wax paper is coated wax on both side which makes it non-stick. It can resist water and oil, keeping food fresh. Wax paper is widely used for candy, bread, cake, sandwich, hamburger and french fries. We can offer more than 50 kinds of design for your choices.
